A close-up of a person's face, focusing on their eyes behind large, dark-rimmed glasses. The person has light skin and is looking slightly to the side. A speech bubble originates from the top of the frame.

A person with short brown hair, wearing a light blue t-shirt and dark pants, is running through a hallway. They have a worried expression. To the left is a white door with a circular window. On the right wall is a poster with a footprint and the text 'Please do not step on the floor'. A speech bubble originates from the top of the frame.
